1. Preference to Make In India products (For bids < 200 Crore):Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum

local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .The buyers are advised to refer the OM No.F.1/4/2021-PPD dated 18.05.2023. OM_No.1_4_2021_PPD_dated_18.05.2023 for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017 and its subsequent Orders/Notifications issued by concerned Ministry .Benefits of MSE will be allowed only if seller/service provider is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.

2. **Purchase preference to Micro and Small Enterprises (MSEs):** Purchase preference will be given to MSEs having valid Udyam Certificate and whose credentials are validated online through Udyam Registration portal as defined in Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro, Small and Medium Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. If the bidder wants to avail themselves of the Purchase preference, the bidder must be the manufacturer / OEM of the offered product on GeM. In respect of bid for Services, the bidder must be the Service provider of the offered Service. Traders are excluded from the purview of Public Procurement Policy for Micro and Small Enterprises and hence resellers offering products manufactured by some other OEM are not eligible for any purchase preference. Relevant documentary evidence in this regard shall be uploaded along with the bid in respect of the offered product or service, and Buyer will decide eligibility for purchase preference based on documentary evidence submitted in case of product bids, whereas in case of services the eligibility is automatically validated. If L-1 is not an MSE and MSE Seller (s) has / have quoted price within L-1+ 15% (Selected by Buyer) of margin of purchase preference /price band defined in relevant policy, such MSE Seller shall be given opportunity to match L-1 price and contract will be awarded for 25% (selected by Buyer) percentage of total quantity. The buyers are advised to refer the OM_No.1_4_2021_PPD_dated_18.05.2023 for compliance of Concurrent application of Public Procurement Policy for Micro and Small Enterprises Order, 2012 and Public Procurement (Preference to Make in India) Order, 2017. Benefits of MSE will be allowed only if seller is validated on-line in GeM profile as well as validated and approved by Buyer after evaluation of documents submitted.
3. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for determining the Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or bearing on the price to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be used as a criteria in determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment of reasonableness and based on competitive prices received in Bid / RA process.

4. Reverse Auction would be conducted amongst first 50% of the technically qualified bidders arranged in the order of prices from lowest to highest. Number of sellers eligible for participating in RA would be rounded off to next higher integer value if number of technically qualified bidders is odd (e.g. if 7 bids are technically qualified, then RA will be conducted amongst L-1 to L-4). In case number of technically qualified bidders are 2 or 3, RA will be between all without any elimination. If Buyer has chosen to split the bid amongst N sellers, then minimum N sellers would be taken to RA round. In case Primary products of only one OEM are left in contention for participation in RA based on lowest 50% bidders qualifying for RA, the number of sellers qualifying for RA would be increased to get at least products of one more OEM (directly participated or through its reseller) if available. Further, if bid(s) of any seller(s) eligible for MSE preference is / are coming within price band of 15% of Non MSE L-1 or if bid of any seller(s) eligible for Make in India preference is / are coming within price band of 20% of non MII L-1, then such MSE / Make in India seller shall also be allowed to participate in the RA process.

Special terms and conditions-Version:1 effective from 27-01-2026 for category Biosafety Cabinet (V2)

1.
   - **Comprehensive Warranty**
     The comprehensive warranty shall include preventive maintenance, including calibration as per the manufacturer’s technical, service, and operational manuals. It shall cover service charges and replacement of spares, except for consumables.
     During the warranty period, commencing from the date of successful installation and commissioning, service personnel shall visit each consignee site at least once every six months or as recommended in the manufacturer’s manuals. The warranty shall ensure 98% uptime on a 24 hours × 7 days × 365 days basis. In case of downtime beyond the permissible limit, the warranty period shall be extended by double the duration of the downtime.
   - **Service Centres**
     The seller shall provide details of authorized service outlets in India at the time of supply, including complete addresses, telephone numbers, and email IDs. It shall be the seller’s responsibility to ensure that authorized service centres are available within a reasonable distance from each installation site to handle service calls promptly. Details of toll-free numbers and facilities for online registration of service requests shall also be provided to the buyer/consignee at the time of supply.
   - **Source of Supply**
     The seller shall provide documentary evidence to establish the source of the equipment, such as a copy of the proforma invoice or equivalent documents, confirming that the supplied products are manufactured by the indicated OEM and sourced directly from them.
   - **Packing and Marking**
     As medical equipment is delicate and sensitive, the packing shall be strong and durable enough to withstand transit (including transhipment, if any), rough handling, and open storage without damage or deterioration. The packaging design shall consider the size, weight, and volume of the equipment, the remoteness of the final destination, and the availability of transport and handling facilities en route.
     Each package shall be clearly marked on three sides with indelible paint of proper quality, indicating the contract number and date, a brief description of goods and quantity, packing list reference number, country of origin, and any other relevant details. Accessories shall be suitably labeled and packed.
   - **Spare Parts**
     The seller shall provide all relevant information and materials pertaining to spare parts manufactured and supplied by the OEM. It shall be ensured that required spares remain available for purchase for at least 10 years from the date of supply. In the event of discontinuation of any spare part, the seller shall give sufficient advance notice to the buyer/consignee to enable advance procurement.
     The OEM and its authorized service centres/dealers shall maintain adequate inventories to ensure ex-stock availability of consumables and spares. Further, the OEM or reseller shall accord the buyer/consignee “most favoured client” status and offer the most competitive prices for all spares and consumables related to the supplied equipment.
   - **Installation, Training, and Manuals**

The seller shall be responsible for installation, commissioning, supervision, and demonstration of the equipment. Required jigs, tools, and minor civil works needed for installation shall be provided by the seller. Training shall be imparted to the consignee's representatives for proper operation and maintenance of the equipment. The seller shall supply the required number of operation and maintenance manuals.

If the product category parameters specify any additional requirements for installation, training, or documentation, those shall also apply.

- **Electrical Safety Checking**
  The seller shall furnish a list of equipment and instruments required for performing routine and preventive maintenance to the buyer/consignee. Periodic electrical safety checks shall be performed as per relevant BIS safety standards or equivalent. If the seller does not possess the required testing facilities, safety compliance shall be verified through accredited laboratories during each preventive maintenance visit.
- **Software**
  All software updates shall be provided free of cost during the warranty period.
